Hi Doug -

Were you mainly looking for CDPHE's PPA's or all states?

Gerard is tracking down CDPHE's – Here are 2007-2012 – he will send additional emails as documents are large in size.

Melanie

Just so we are all clear, he wants PPA's from all states – not just ND. Sorry if I confused things.

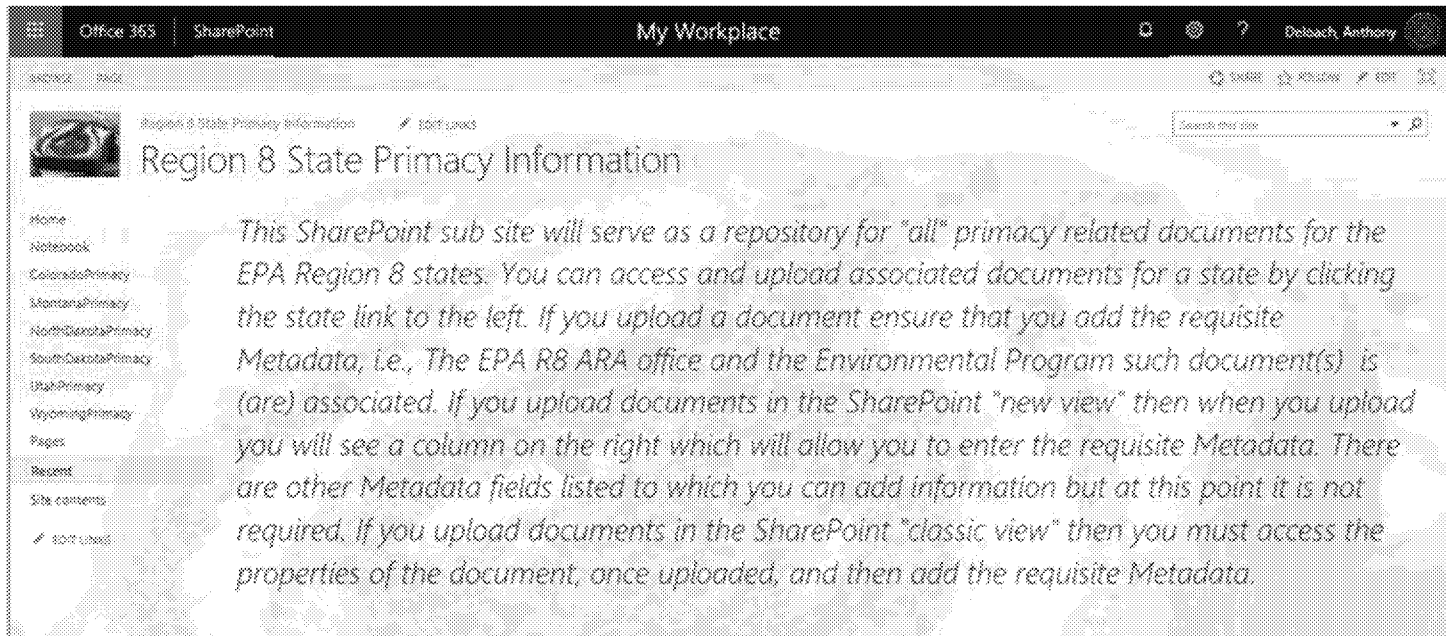

I think in particular he wants Colorado so Gerard could probably track that down.

Here you are. I will get the request out for Primacy documents tomorrow. I will have the ARAships and associated programs upload the various Primacy and agreement documents to the Region 8 State Primacy Information SharePoint site.

I was talking about PPA's. Check with Mai on the ND docs first, but yes, let's get the call out to the programs to upload ND docs if Mai does not have them.

Appears that we are talking about two different things: PPAs I have, but agreements related to Primacy, like we did for Wyoming, is a separate request that I have to make with the programs. So do you want me to send out the call to the Programs to upload their Primacy documents, and other

related documents? I will work to get the PPAs together which will take some time and on that note how much time do I have to get these together?

Great Anthony. Let's send those to the RA via attachments to emails since that is his preference. Just cc us.

So, with a little cursory research I can pull together PPAs that go back as far as 2007 and in some cases 2006.

Do we have all of this gathered already for the ND reorg? Can you check with Mai? I know you also have Max set up for folks to load.

Maybe after you check with Mai then ask people to load if she does not have these.

Copying Carl and Martin as an FYI.

Thanks,

Melanie

Can you please pull for me our agreements with North Dakota, similar to the agreements that you pulled for me with Wyoming. Thanks
